At this "peaceful" Gramercy Indian-Vegetarian you "kick back without shoes, relax on cushions" and enjoy a "delicious" set-price feast in a setting that magically transports you to a charming rural Indian village; it's a one-of-a kind "bargain."

– Zagat Survey

For Palates weary of the repetition, Vatan is a melodious wake-up call. It specializes in the rich, spicy yet subtle vegarerian cuisine of Gujarat - in almost every way, Vatan is an astounding restaurant.

– The New York Times

If somebody feels that vegetarian food is missing something, don't worry. Vatan's cuisine has a rich in taste of the different vegetables. It is a good, well-balanced meal. This is novel Indian Cuisine.

– New York, NY

409 3RD AVENUE AT 29TH STREET
NEW YORK, NY 10016

WWW.VATANNY.COM

Though the decor conjures a typical Gujarati village of western India - a banyan tree, a well, a mural of emblematic Gujarati women, gem-studded portraits of Ganesh and other less familiar deities - Vatan is not the Indian equivalent of the kitschy Polynesian palaces of the past. Instead of just stepping over the border into the exotic, the nineteen-dish meal (all you can eat) celebrates a vegetarian culinary culture still unusual to America, without debasing the food or corrupting the Jain and Hindu beliefs that drive its preparation; no meat, no fish, no poultry, no eggs, no violence.

– New Yorker Magazine

It is a remarkable feast presented in three rounds, or as my husband put it "Captain's platter, after captain's platter." Vatan will leave you in a well-fed stupor worth the wake-up call.

Joan Kelly Bernard *– Newsday*

...with post holiday debt looming, it is time for us to mention our current favorite prix-fixe: Vatan. How very very Gujarati.

– New York Press

Vatan is more than just a Gujarati restaurant - it is an experience. Vatan is designed to resemble an Indian village an gives diners a "vacation" from New York.

– India In New York

Vatan evokes a bucolic style of life that is rapidly disappearing. The food, too, is nostalgic trip, elegant and simple, and I guess the loopy decor qualifies Vatan as a theme restaurant, only with one big difference; the food is delicious. Kabhan!

– The Village Voice

Vatan is more vegan-friendly than most India establishments.

– Vegetarian Times

At Vatan Vegetarian you won't miss the meat. Promise.

– Time Out

Vegetarian Heaven

A new dining hot spot has arrived on the strategically located corner of 8th Avenue and 58th Street. With the decline of the yuppie excesiveness of the 1980's, the 1990's are marked by the emphasis on healthy practical eating, without a strain on the pocketbook. Set in a sophisticated but friendly atmosphere, Vegetarian Heaven has set the pace for the health-conscious educated palcon.

Vegetarian Heaven is the largest kosher vegetarian restaurant in the city. The kosher Chinese and Japanese vegetarian dishes are tasty, impeccably prepared, and nutritious.

At first, it may be difficult to consider a kosher vegetarian restaurant. However, the neophyte is pleasantly surprised by the texture, taste, aroma, and presentation of all the vegetarian dishes. The chicken, duck, and beef dishes ironically contain none of the above. However, the imitations look just like the "real McCoy", and are delicious.

The dishes are prepared with low cholesterol, high protein, soybean "tofu", gluten, seaweed, and of course the extremely healthy legumes: asparagus, bamboo shoots, eggplant, mushrooms, carrots, corn, peas, peppers, cauliflower, and of course broccoli, smothered in the aromatic sauces of Chinese cooking notoriety. For those of you on a low cholesterol and salt restricted diet, light dishes ar steamed with no oil, sugar or salt added.

Special recommendations include the steamed vegetable dumplings, Buddhist lo mein, pan-fried noodles, beef sauteed with basil, chicken with sesame sauce, bean curd dishes, sizzling eel or fresh mushrooms with vegetables. The stuffed eggplant in spicy sauce is exceptional.

For those of you on the fitness circuit, the restaurant's juice bar is an excellent post workout panacea to replenish the hypercosmolar extracellular fluid deficit.

Reservations are accepted. The attire is casual and the restaurant is open seven days a week.
